

# Faith Bible Church

---

## Our Mission

We are a place of unconditional love and acceptance without regard of anyone's past; a place of safety, refuge and healing for the hurting. We want everyone to enter into the bright future God has for each of them in Jesus Christ, to grow to reach their highest potential, and become everything God wants them to be.

---

## Our Vision

The Vision for our Church is evolving as we receive direction from the Lord regarding expanding ministries within the Church. Therefore, we will endeavor to keep this list as accurate as possible.

- We will empower people through the Word of God and by the Holy Spirit in our services to grow and develop in their relationship with God so they can become champions for God, both receiving and fulfilling God's highest and best plan for their lives.
- We will have a Music Ministry made up of skilled and anointed musicians and singers that have a heart to worship the Lord and can create an environment in which God can touch and change the lives of people by His presence.
- We will have a strong Ministry of Prayer that will not only pray about the will of God for our Church, our community and our nation but will also equip believers on how to deepen their fellowship with God through prayer.
- We will minister to Children to build them and help them become everything that God wants them to be from an early age; not just baby-sitting, but imparting eternal truths into them that can set the course for their lives.
- We will minister to Youth and raise up a generation of young leaders that are not ashamed of their relationship with Christ and help them step into the God-given destiny for their lives.

# Faith Bible Church

---

- We will minister to Men by helping them to grow in their relationship with the Lord and become powerful leaders in their personal relationships, on their jobs and in their businesses through Rallies, Men's Encounters, fellowship/relationship building activities, Retreats, etc.
- We will minister to Women enabling them to become powerful, faith-filled women, wives and mothers in everyday life through fellowship/relationship building activities, retreats, Women's Encounters, etc.
- We will minister to Married Couples equipping them to be able to walk in the fullness of a godly marriage relationship by learning how to love God's way.
- We will minister to Single Adults, creating whole people that are centered on their relationship with Jesus through the Word and pure fellowship.
- We will minister to our Seniors letting them know that they will always be loved and appreciated and are very valuable to the Kingdom of God.
- We will have a Missions Program that will have numerous teams going to the nations ministering the unconditional love of God through preaching the Gospel and serving those in need.
- We will reach out to our local communities impacting lives through meeting simple needs and letting people know that Jesus loves them and we love them in a tangible way.
- We will have numerous ministries to reach and touch people at the point of their need no matter what that need might be. These will include recovery programs, job skills training, life skills training, financial counseling, etc.
- We will have a strong ministry to the Hispanic Community in our area through translation of our English Speaking services and also eventually Spanish Services. We will also have outreaches into the Hispanic Communities in our area.
- We will have a television ministry producing a program of excellence that ministers the love of God to people beginning with the greater Charlotte area.
